Rose Bicolour
White*

*Pink Bicolour
Salmon
Formula Mixed*

- *Extremely Basal Branching*
- *Very Early to Flower*
- *Vigorous yet compact growth*
- *Huge Blooms*
- *Excellent in all planting situations*

F1 Apache takes the best features from both Multiflora and Standard Geraniums and will therefore out perform any other seed raised Geranium currently available.

F1 Apache is the nearest you will get to a cutting raised Geranium from seed.
